Daniel Ishimwe

Career Objective

I am a seasoned IT professional with a rich background in IT management, system engineering, and software development, now diving into the dynamic world of cybersecurity. My core motivation lies in utilizing technology to solve complex problems and create systems that are not only effective but also secure and user-friendly. The recent shift towards cybersecurity in my career has added a vital layer to my skill set, allowing me to contribute significantly to safeguarding digital infrastructures against emerging threats. I hold a Bachelor's degree in Computer Application from Parul University, India. Currently, I am furthering my expertise by pursuing a Master's degree in Cybersecurity. This academic pursuit is not just about gaining certifications; it's about deepening my understanding and staying ahead in the fast-evolving tech world.
